

Donation Request: Haiti, August 2017

\$300 cash in order to host a community dinner. (We will purchase all the food at the market and pay local Haitian women to cook. This is a good way to invest in the local economy.)

Quality flip flops / sandals: Haitian terrain is rough. Lots of gravel, lots of steep hills to climb. Thin flip-flops (Old Navy, Walmart) do not hold up and will break within a day or two of use. Thicker soles are appreciated. (Something to consider: including used items give the impression that this is your hand-me-down, and that the person who receives it isn't good enough for a new pair of sandals).

Baby Formula – sensitive formula (powder, sensitive stomach, not expired)

Silvadine Cream (Burn Cream): there is a lot of cooking over open coals and a major form of transportation is on motorbikes; burns are common. (Any other medications are also appreciated – children's tylenol, children's allergy medicine – things you might easily stop off and grab for your children at your local Walgreen's.)

Jersey knit material: for one of the products they would like to make and sell with their single parents, widows & at-risk teen girls. Old t-shirts or old jersey sheets – brighter the colors the better! Black and grey are also needed. (They will be cut into strips.) PLEASE be mindful of text and images!
